## Introduction

Expo Faisalabad 2026 is a flagship business exhibition by the Faisalabad Chamber of Commerce and Industry, designed to present the industrial power, entrepreneurial energy, and future potential of Faisalabad on one of the Pakistan's most prominent Expo.

## Expo Faisalabad At a Glance

It will be organized at Expo Centre Lahore on May 08 to 10, 2026, the event will bring together leading institutions, and business stakeholders under one roof with a strong focus on Faisalabad's core industries and emerging sectors, Expo Faisalabad will serve as a powerful platform for business visibility, networking, partnerships, and sectoral promotion.

Expo Faisalabad will highlight the true industrial strength of Faisalabad, Pakistan's leading manufacturing and export hub. The exhibition will showcase key sectors including textiles, IT, engineering, automotive, food processing, pharmaceuticals, and value-added agriculture. With strong development across FIEDMC. The expo will present innovation, scale, and export potential—positioning Faisalabad as a dynamic center for global trade and investment.

## Visionary Leadership

The Faisalabad Chamber of Commerce & Industry's dynamic leadership facilitates industrial growth by bridging the gap between business and government, advocating progressive policies, and enabling a conducive environment for trade and investment. It supports exporters, strengthens industrial infrastructure, and promotes innovation through strategic initiatives and partnerships.
